SPINE LABEL TEXT DATA FORM

Please fill out this form if you are ordering top-spine stickers, a great eye catcher that lets customers and retailers see your name/album name/bar code while your disc is still in the bin, so you won't get lost in the shuffle. Top-spines also make your release seem more "professional" since ALL major-label jewel-boxed releases have them.

IMPORTANT: TOP-SPINES MUST BE ORDERED AT THE BEGINNING OF A PROJECT. SORRY, NO EXCEPTIONS.
